Copyright

Text content and data files on this website are published under the terms of the Open Government Licence for public sector information, version 3. You are encouraged to use and re-use the information that is available under this licence freely and flexibly, with only a few conditions. Please read the Open Government Licence for the full details. However where data is derived from a licence and therefore its reuse is limited, this will be explicitly stated alongside the dataset.

Disclaimer

Whilst every care has been taken in the compilation of the information on cityobservatory.birmingham.gov.uk, Birmingham City Council will not be held responsible for any loss, damage or inconvenience caused as a result of inaccuracy within these pages. The Council does not endorse any external linked sites and is not responsible for their content.

Data Quality

Birmingham City Council is committed to the highest standards of quality of information. If you think this site contains any errors or out-of-date information, please contact us with details of what needs correcting.

Website Security and Privacy Statement

This Website Security and Privacy Statement applies to this website ("City Observatory website") and it is operated by the Birmingham City Council.

The Birmingham city council understands and appreciates that you, as a City Observatory website visitor, are concerned about your privacy and about the confidentiality and security of information we may gain about you online. We are committed to protecting your privacy. This Website Security and Privacy Statement explains how your information will be treated as you access and interact with The City Observatory platform.

As technology evolves, we will continue to strive to provide you with better, and more customised services and with a more effective website. We encourage you to review the City Observatory Website Security and Privacy

Statement periodically because it may change from time to time.

The City Observatory Privacy Statement abides by the General Terms and Conditions under the Birmingham City Council Privacy Statement. It explains how The Birmingham City Council generally protects your privacy and confidentiality and how your personal information is treated, including any personal information collected in accordance with this City Observatory Website Security and Privacy Statement.
